PRESS RELEASE

Introduction

Des Moines, Iowa, 4/24/02 -- Advanced Logic Systems, Inc., has released a low-cost web-based alternative for gays and lesbians who don't have a will or related health care documents. These people rely on courts and doctors to decide:

- ! who makes medical decisions for them,
- ! who takes care of their children and
- ! who manages and distributes their assets.

The new service, GayWill.com, prepares customized, state-specific estate planning documents in approximately 15 to 30 minutes. Both individuals and partners can benefit from this estate-planning tool.

GayWill.com enables 95 percent of gays and lesbians in the USA to prepare customized documents in the convenience and privacy of their own home. Along with instructions for execution, the included documents are:

- ! Will
- ! Living Will
- ! Health Care Power of Attorney
- ! Financial Power of Attorney

GayWill.com is easy to use. You are asked a series of questions which provides information concerning your particular desires for your customized estate plan. All the information you provide is encrypted through secure web pages and will be used only to prepare your documents. As you go through the various questions, GayWill.com provides explanations of the estate-planning process to assist you in your decisions. Once all of the information has been gathered, it takes only a short time for the documents to be prepared and e-mailed to you in PDF format.
