PRESS RELEASE

Introduction

Des Moines, Iowa, 8/24/07 -- Advanced Logic Systems, Inc., is pleased to announce the release of an updated version of its Document Production System (DPS 8.0). This software program assembles legal documents and tax returns for professionals. DPS 8.0 assembles a suite of high-quality, customized legal documents and tax forms in these areas of law:

- Estate Planning, including projections and 709
- Probate, including 706
- Corporate
- Limited Liability Companies
- Charitable
- Income Taxes
- Employment

Created by an experienced attorney who understands a professional's need for affordable document assembly, DPS 8.0 offers those advantages which are most useful to legal professionals. This includes advanced features to help with client information entry, update and a variety of options for editing and creating documents customized to match the laws of any of the 50 states or District of Columbia.

The easiest way to evaluate how DPS 8.0 fits into a particular office is to download a free trial period by visiting www.DPS8.com

For more information visit <http://www.DPS8.com>, call 800-454-7703, or e-mail us at: Support@DPS8.com
